D) Basis of Valuation :

All financial instruments (except investments which are classified under amortised cost category) are initially recognised at cost and subsequently re-measured at fair value as described below:

a. The fair value of investment in quoted equity shares, government securities, treasury bills, and mutual funds is measured at quoted price (provided by NSE/BSE, FIMMDA/FBIL) or NAV (Provided by AMFI) respectively.

b. The fair value of remaining financial instruments except unquoted equity instruments is determined using the yield curve provided by FIMMDA/FBIL.

c. The fair value of investment in unquoted equity shares is done on the basis of observable market transaction, if any. If the information is not available in respect of observable market transaction, the break-up value method is used on the basis of latest audited financials of the investee company.

d. The cost is arrived at Moving Weighted Average basis by considering only outright sales/purchases (excluding securities sold/purchased under repo/reverse repo transactions).
